

Moto Guzzi

THE RACING STORY

Mick Walker

The Italian motorcycle firm of Moto Guzzi has one of the most distinguished racing reputations of all marques. Famous for its innovative and varied engine configurations, Moto Guzzi produced one of the most remarkable engines of all time – the V8 that, had Guzzi continued with it, could have dominated future racing.

Mick Walker's highly illustrated history of this great maker's racing exploits covers all the racing machines and all the most important personalities – riders and technicians – associated with these bikes.
